MSAD 72 PKA Afterschool Program Application

Student _____ Session #5 May & June 2017

Please select the programs on the attached sheet that your child would like to attend.

Attend 2 days

❏ Pay in full with registration: $100

❏ I would like to volunteer to cover the cost of my child.**

Full Time Payment options

Payment must be made by one of the four options below. Students who are not paid up from previous sessions may not enroll in another session. (Check one of the following)

❏ Pay in full with registration: $200

❏ I agree to pay 5 weekly payments of $40 due on Friday of each week. The first payment is due on the Friday prior to the beginning of the session.

❏ I agree to pay 2 monthly payments of $100 due on the first of each month in the session.

❏ I would like to volunteer to cover the cost of my child.**

❏ I would like to volunteer to cover the cost of another child.**

I would like to volunteer for the MSAD 72 afterschool program. A minimum of 16 hours of volunteer time is needed to qualify for full time tuition and 8 hours for two day tuition.

**** Please discuss your barter with the PKA staff then complete the barter proposal and submit it to your school's principal for approval *before* turning in your child's registration.**

Parents are required to document their hours (with validated barter vouchers returned to PKA staff before the end of the session) in order to fulfill the requirements of their agreement.

I propose to volunteer in the following manner:

_____

_____

_____

I recognize that failure to complete my agreement of 16 hours during the session will result in a default of the agreement. If this happens, I will be responsible for the entire cost of the session. For practical reasons, not all proposals for volunteerism can be approved. Proposals must be approved by site coordinator and building administration before student can attend. Be sure to submit your request early to allow for review.

PKA ends at 5:30. Students must be picked up by that time. A fee for late pick up may be assessed ***and must be paid before the student(s) can return to attend the program.***

_____ _____

Parent/Guardian signature Date

❏ **Barter Approved**

❏ **Barter Not Approved (reason)**

_____

_____ _____

Site Coordinator **Building Administrator**

Please return your completed Session #5 registration forms (pages 1 & 2) to PKA at the CAS office before April 27th, 2017

Scholarship applications are available from your school's principal.

MSAD 72 After School Program 2017
May & June Afternoon Activities

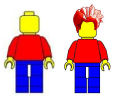
Arts & Crafts - Explore your creative side! Use your hands and challenge your eyes. You may just be surprised by what you can produce.

Computer Club Develop your computer skills. Have fun, play safe and play smart. *All students attending on Fridays will be in this class.*

Creative Movement Workshop Delaney McDonough of Hio Ridge Dance will lead the kids of PKA in a series of movement and imagination exercises to release tension from the long day at school. Students will gain skills in team building, spatial awareness, rhythm, and movement improvisation.

Guitar Lessons for 2nd,3rd,4th & 5th graders. Mountain Top Music Center will provide music lessons for PKA. This experience allows students to learn basic guitar technique and play songs together. They learn to read music notation and lay the foundation for further music study. Instruments will be available for use during PKA, but space is limited and available on a first come first served basis.

Gym Games . An exploration of cooperative as well as competitive group games for children.



LEGO Club Are you a LEGO maniac? If you feel there's never enough time to build or enough LEGOS you belong with us.

LEGO Robotics for 2nd, 3rd, 4th & 5th graders. We have once again brought out our Lego Robotics and Simple Motorized Machine kits so you can build and run autonomous machines as well as build and program your own robots! ***Limit of 16***

Kite_Making_Workshop People have been building and flying kites for more than 2,500 years. Learn about some of the different types of kites and the gear to help fly them, while we will build our own kites.

Little_Engineers for Kindergarten, 1st & 2nd graders. We'll discover how things work and attempt engineering challenges using everyday objects.

Loom_Knitting Knitting on a loom is the easiest way to learn to knit. We will build our own knitting loom and knit some small projects.

Make Your Own Graphic Novel for 3rd thru 5th Graders. Learn how to create your own characters and develop a story for them. We will begin with a small comic strip and see where we can go.

Nature Club for 3rd, 4th & 5th graders. Come explore the great outdoors. Take our guided tour with Kathryn from the Tin Mountain Conservation Center and discover what's waiting just outside your door!

Planets for 3rd, 4th & 5th graders Come and learn about our neighbors in space.

Teaming With Insects for Kindergarten, 1st & 2nd graders. It's Spring and the bugs are back!, In this beginning entomology class and we are going to take a good close look at them. This class will be designed as a project for the Fryeburg Fair.

Weather with WMO for 3rd, 4th & 5th graders. Mount Washington Observatory scientists work 24 hours a day, 7 days a week to bring you the latest current conditions and weather forecasts for our area. But how do they do it? We'll learn the basics of weather and weather forecasting from the folks who live it every day.

Woodworking for Kindergarten, 1st & 2nd graders. Create fun and interesting projects while you learn about working with wood.

Yoga for Kids- Cats, Cobras and Camels, oh my! This program will explore celebrated yoga poses, breathing exercises and quiet meditation time all in kid friendly and exploratory format. ***Limit of 10***

All Classes with size limits will be filled on a first come first served basis, so register early!
