MSAD 72 After School Program 2019-20

January & February Afternoon Enrichment Activities

Arts & Crafts - Explore your creative side! Use your hands and challenge your eyes. You may just be surprised by what you can produce.

Beginning Guitar Lessons for 2nd through 4th graders. Mountain Top Music Center bringing music lessons to PKA. This experience allows students to learn basic guitar technique and play songs together. They learn to read music notation and lay the foundation for further music study. Instruments will be available for use during PKA.

Limited to 7 students

Computer Club Develop your computer skills. Have fun, play safe and play smart.

All students attending on Fridays will be in this class.

Cooking with Chef Wow for 2nd, 3rd & 4th grade. Fun and yum in the kitchen! You'll learn fun facts about foods and how to cook them. Discover a new recipe every week!

Limited to 12 students.

Gym Games An exploration of cooperative as well as competitive group games for children.

LEGO Club Are you a LEGO maniac? If you feel there's never enough time to build or enough LEGOS you belong with us.

LEGO Robotics for 2nd, 3rd & 4th grade. This session we will work exclusively with our Lego Robotics kits (for second graders and up) so you can build and program your own robots! **Limit of 16 students.**

Myths & Legends Discover the myths and legends of cultures from around the world.

Native American Folktales for Kindergarten & 1st grade. This class is an exploration of Native American folktales through storytelling and interactive puppetry performance and even a little crafting.

Quiet Drawing Students will explore drawing in a relaxed social setting, while working with pencils, pens and markers on a variety of paper surfaces.

Random Acts of Kindness: Pay it Forward Our kids can make a difference - We will be finding ways in which we can give back to our local community. We'll be focusing on projects for the local Nursing Home, our families, and our very own schools.

Toy Making In this class we will be making fun and simple toys from everyday objects

Weaving for 3rd & 4th grade. Committed students will learn the craft of weaving, Using a simple backstrap loom we will weave a scarf. **Limit of 10 students.**

Winter Explorations With Tin Mountain for Kindergarten & 1st grade. Students will have an opportunity to learn about winter through understanding snowflakes, animal tracks, and learning how animals prepare, adapt, and survive the long months of winter. Students will play games, engage in activities, and learn about what makes winter unique and fun.

Woodworking for Kindergarten through 1st grade. Create fun and interesting projects while you learn about working with wood. **Limited to 10 students.**

Yoga for Kids Cats, Cobras and Camels, oh my! This program will explore celebrated yoga poses, breathing exercises and quiet meditation time all in kid friendly and exploratory format. Each class will end with "Chai Time" meant for sharing thoughts and developing good listening skills. **Limit of 17 students.**

Enrichment classes with less than 5 students may be cancelled. Substitutions may be made. All classes with size limits will be filled on a first come first served basis, so register early!
